PORTFORLIO.GITHUB.IO/](https://capzap.github.io/my-portfolio.github.io/)

LANGUAGE

- English (fluent)
- Cantonese (native)
- Mandarin (intermediate)

INTEREST

ABOUT ME

I am a calm person who is always curious about how things works and eager to learn more.

The source of my action and thoughts is my heart of yearning to create something that's nothing like before, which makes my creation significantly more unique.

When working on projects and ideas that I truly believe is great, I will commit into the projects with great passion.
